Dear Parents/Carers

Your child has been enjoying free milk each morning in Reception Class funded by the UK Government's Nursery Milk Scheme.

They no longer receive this milk free now they have turned 5.

You have the option to pay for their milk to continue - we have made arrangements with the UK's leading school milk supplier, Cool Milk, to supply milk at a subsidised cost of just 31p per day.

What you need to do:

Visit www.coolmilk.com as soon as possible and select "Register your child for milk here", then follow the on-screen instructions to register and pay. Alternatively please ring them directly on 08003213248.

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It's also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Please could you let the office know if you have set up your child for milk to continue after they are 5 so we can make sure your child is on our list.

Yours sincerely

Mrs S Eyre
