

NEWSLETTER

NEWSLETTER EIGHTEEN – 11th July 2025

Value of the week.....

This week we have been promoting peace throughout the school. We have been showing respect towards everyone in school and part of this is listening to others when they are speaking. We have also encouraged pupils to spend time with others who they do not normally play with which has allowed new friendships to form.

Recently, Year 6 pupils have taken part in planting and growing activities in our greenhouse. While undertaking this activity, pupils have learnt the importance of caring for our environment while also raising funds to purchase more seeds. We now have an array of plants in our greenhouse such as tomatoes, cucumbers and strawberries. New friendships have been formed as children arrange their own rotas and jobs.

Summer Fair.....

The Summer Fair is nearly here! On Wednesday 16th July we are inviting all parents and carers to our Summer Fair. There will be lots of fun activities such as, basketball, hook a duck, human slot machine, toy shop, BBQ, cakes, drinks, bowling, teachers in stocks and much, much more! There will also be a raffle on the night and some of our amazing prizes include... shooting lesson, signed football shirt, food and activity vouchers and handmade hampers.

Please support our school by joining us from 3.30pm on the big playground. Raffle tickets are £1.00 per strip and will be sold on the night as well as during the run up to the Summer Fair.

Year 3 Egyptian Assembly.....

A big well done to Miss Iram, Miss Askham and Year 3 who took part in a whole school class assembly this week. They showcased their learning all around ancient Egypt to pupils, staff and parents. Year 3 have recently been fundraising for all of their costumes and props and they all looked fantastic. Well done Year 3 – it was absolutely fantastic.

Class induction swap.....

Pupils settled well into their new classes last week and enjoyed meeting their new teachers. There were a few nerves mixed with enthusiasm but everyone worked hard and were excited to have sneak peek of their new classrooms and meet their new teachers.

Year 6 transitioned to their new secondary schools for three days where they experienced their new schools for the first time. Pupils were excited to share their experience with peers and had lots of positive things to say about their new schools. Most of the feedback was how much bigger these schools were than Meadow Farm, but they were looking forward to transitioning in September.

Attendance.....

Well done to the following classes for hitting our attendance target of 96%;

Reception – 97.02%

Year 2 – 96.88%

Year 3 – 96.88%

And a big shout out to Year 4 and Year 5 who both achieved 100%! Well done.

School reports.....

Pupils will be bringing their school reports home on Friday 11th July. If you have not received yours, please speak to your child's class teacher. If you would like to discuss your child's report in more detail please arrange an appointment with your class teacher who will happy to help. We hope you enjoy reading them and seeing how your child has progressed over the past academic year.

Coming up.....
