## Value of the week.....

This week is world wellbeing week and we have been focussing on how to care for ourselves and others. As a school we practice using the zones of regulation on a daily basis in our classrooms and shared areas. We work together to try and stay in the green zone but we also know the coping strategies needed to move through the zones.

Pupils recognise that we are all different and some of us have different strengths and weaknesses but they accept each other despite these. We also try to instil in pupils that you cannot change the past or future, you must focus on what you can control and try your best. Most of all, pupils are encouraged to believe in themselves as they are their own cheerleaders.

## Thankyou.....

We would like to say a very big thank you to all parents and carers who came to support Meadow Farm during Sports day. The turnout was huge and your support really spurred all the children on. It was lovely to hear everybody clapping and cheering for all children. With your support and motivation, there was lots of enjoyment. Thank you.

## Rugby league.....

A big well done needs to go to our Rugby team who have finished in second place with 30 points! Just 4 points behind top spot. There were lots of tough games played but the team came together to secure our school a top three spot. We look forward to the county finals on the 18<sup>th</sup> July. Congratulations.

## School photos.....

Please keep a look out for school photo proofs. Letters will be sent home with your child with information on how to order and purchase class photographs. All orders are placed through the Jane Stapleton website and not through the school office.

## Athlete visit.....

Well done to the whole school who took part in circuits with GB Olympic swimmer Joe Roebuck. Everybody got involved and had a go! Well done. Thank you to all parents for sending in your child's sponsorship money. So far we have raised £448.50.

## The Book Bus.....

Pupils enjoyed exploring the Book Bus on Thursday. There were lots of lovely books purchased. We will be stocking the library with books chosen from the Book Bus so please look out for these soon.

## Halle Year 5.....

Year 5 represented Meadow Farm so well at the Halle Concert. They have been learning and honing their ukulele skills for almost a full year and were able to showcase their playing to lots of other Derby City schools.

## Goodbye and Hello.....

As you have seen on Dojo, we have released the staffing structure for next academic year. We say goodbye to Mrs Talbot and welcome Mr Slaney to Meadow Farm. Mr Slaney will be joining us

during our inset day and transfer day. Please make him feel welcome if you see him around the school.

### **Inset day.....**

Please remember Monday 1<sup>st</sup> July is an inset day and will be closed to all pupils. Staff are reviewing the curriculum and will be making updates where required.

### **Year 3 Egyptian day.....**

Year 3 enjoyed an exciting fun packed Egyptian day recently. It was wonderful to see so many pupils dressed up and taking part. The day began with pupils creating papyrus paper which they then used to write their names in hieroglyphics. Pupils then had the chance to make a traditional Egyptian flatbread, they all thought it was very tasty. The day was then completed with the creation of traditional Egyptian crafts. Year 3 thoroughly enjoyed the whole day.

### **Well done.....**

Well done to Year 1 and Year 4 who have taken part in their phonics and multiplication checks recently. You have all worked very hard. Results will be shared with parents when you receive your child's school reports.

<b>DATES</b>	<b>EVENT</b>
