NEWSLETTER TEN – 5th March 2024

Value of the week.....

Our focus for our school value this week is how to be more tolerant. To achieve this pupils have been tasked with spending more time with others in the class who they don't normally play with, listen and learn about the experiences of other children, embrace their own cultures and that of their peers and show respect towards everyone in school. This will help us all to be more inclusive and welcoming.

This links well with our World book day story which is 'The day the crayon's quit'. It is a story all about how the different crayons feel fed up of being used for the same things. Green is used to colour dinosaurs, blue is used for colouring the sea and white crayon feels invisible. Duncan tries to colour one day and realises all the crayons have quit! He then creates a lovely picture using unconventional colours. This shows children that we can be different and that it is good to try out new ideas.

Inset day training.....

On the last day of term we were joined by 'Bridge the Gap' mental health services for staff training. It was very engaging and provided staff with lots of ideas to introduce even more Mental Health and Wellbeing tips and tricks to help both pupils and staff. If you are concerned about your child's mental health please speak to your class teacher who will be able to advise further.

Late arrivals.....

Following our return from half term we are still experiencing a high number of children arriving late to school. Please make every effort to get your child into school ready for the start of day at 8.40am. We will be progressing repeated late arrivals onto our educational welfare officer for further investigation.

Absence.....

Please make sure you are ringing the office to let us know your child is absent. Messages to teachers are sometimes missed when they have begun teaching so it is always best to call the office. Thank you.

Attendance.....

Well done to Year 5 who achieved 100% attendance last week. Keep up the good work!

World book day.....

Everyone at Meadow Farm have thoroughly enjoyed the World Book day events organised by Miss Iram. There were lots of lovely entries to our design a spoon competition. The winning spoons will be displayed in our library area for all to see.

It was wonderful to see so many pupils and staff involved in the World book day dress up. There were lots of very creative outfits! Well done Meadow Farm.

Nursery.....

We have spaces in our nursery setting for September 2024. Please make sure you have put your child onto our waiting list. If you know anybody with a child who is 3 year old or over who are looking for a nursery place please ask them to contact the office and we will be happy to show them around our setting.

School places.....

All parents should now have been notified of your child's secondary school place but if you have any queries or would like to appeal please contact admissions on 01332 956988 for advice.

For Reception places National offer day is 16th April 2024.

Parent pay.....

The majority of the school have now signed up so thank you to those who have. There are still a few who have not yet signed up. If you are unsure please come to the office and speak to Mrs Hamblin who will be happy to assist you.

Forward look.....

We have lots of lovely events upcoming so please check the calendar regularly to be kept up to date.
