NEWSLETTER NINE – 13th February 2026

Value of the week.....

This week has been centred on children's mental health week and we have recapped on looking after our own mental health by connecting with others. This could be through speaking to friends or checking in on each other. We use lots of strategies within school to support pupil's mental health such as using the zones of regulation each morning. This allows pupils to visually see how they are feeling and how to move between the zones.

Shardlow trip.....

Unfortunately, due to the flooding at Shardlow, we have taken the decision to postpone the Year 3 school trip to Shardlow this week. We will be rearranging this trip to take place on Friday 6th March. We are sorry for any inconvenience caused, but it would not have been safe to take the children this week. Thankyou for your understanding.

Safer internet day.....

On Tuesday all pupils took part in celebrating Safer Internet Day. Different classes had different focuses and looked at what it takes to be safe online. There were discussions around the use of AI and what is real and not real and how to stay safe online. We know that we should not share passwords, even with our closest friends and we know that we need to alert a trusted adult if there are any concerns or worries.

NSPCC number day.....

Thank you to everyone for making such an effort on NSPCC number day, from football shirts to homemade creations you all looked fabulous. We managed to raise £88.00 which has been donated to the NSPCC to continue their support to children and families in need. During number day, we took part in lots of maths based lessons and activities which were enjoyed by all. Thankyou.

Year 6 Music tuition.....

Year 6 have thoroughly enjoyed 15 weeks of music tuition from Wider Opportunities Music. They began by learning basic sounds and rhythms and have improved their technique over the weeks to produce a full performance. Following the half term break Year 5 will begin their music tuition for 15 weeks and we are very excited to watch their progression.

Year 5 Bennerley Viaduct.....

Year 5 did not let the weather dampen their trip to Bennerley Viaduct this week. Although it was very wet and windy, Year 5 showed great resilience and persevered. We had originally planned to spend the morning sketching but we had to take lots of photographs instead and spent the afternoon sketching at school. Although it was not the trip that was originally planned, they still enjoyed it and were great representatives of Meadow Farm. Well done.

Half term.....

We hope you have a restful half term next week. We cannot wait to hear what you get up to – hopefully the weather improves slightly. Pupils will return to school on Monday 23rd February.

Inset day.....

Governors have now agreed the next inset day. This will be held on Monday 29th June where staff will undertake training to continue and enhance the curriculum. School will be closed to pupils on this date and will return to school on Tuesday 30th June.

Parents evening.....

By now, all parents should have been contacted by your class teacher regarding parents evening. If you have not been contacted or if you had to rearrange, please speak to your child's class teacher who will arrange to meet you.

If you have not yet had time to provide us feedback relating to parents evening, the link is available on dojo as a pinned post at the top of the feed. We really appreciate any feedback you are able to provide.

Coming up.....
