NEWSLETTER SIXTEEN – 13th June 2025

Value of the week.....

This week we have shone the spotlight on empathy and how we connect with our classmates and others around us. We have spoken about how we are individuals who have our own set of strengths and weaknesses and how these may differ to others. However, by working together we can build on our strengths to accomplish bigger things. Staff and pupils have also explored the different ways to listen actively and offer support to our peers all while trying to create an inclusive school community.

Multiplication check and Phonics check.....

Well done to Year 4 and Year 1 who have completed their multiplication check and phonics check over the past two weeks. Both year groups have worked very hard in the run up to these checks and pupils should be proud of their achievements. Well done.

Robin's Nest update.....

As you are aware, we are currently undertaking construction works in Robin's Nest playground. Work is going well and completion is planned for Friday 20th June. Thank you for being so understanding during this disruption to drop offs and collections.

Reminder – Our two year old waiting list is now open, please tell family and friends about us. They can call the school office on 01332 662631 and speak to Mrs Hamblin.

Sport's Day.....

We would like to invite all parents and carers to come and watch their children take part in Sport's Day. EYFS and KS1 will be taking part on Monday 16th June. EYFS will be at 9.15am on the big playground and KS1 will be at 10.00am on the big playground. KS2 will be taking part on Wednesday 11th June on the playing field at 9.15am. We would love to see as many of you there to support the children – make sure you have your running shoes on for the KS2 parent's race!

Sports week.....

During sports week we are inviting all pupils to wear PE kit every day apart from Thursday to celebrate sports week. We will be taking part in lots of sporty activities such as a wake and shake and extra PE lessons. Please remember to send your child to school with a water bottle every day to help them stay hydrated. This is especially important now that the warmer weather is finally here.

Jane Stapleton photographers.....

Please remember that next Thursday Jane Stapleton photographers will be in school on Thursday 19th June. Please can all children wear school uniform. Thank you

Rainbow walk.....

A big thank you to all our parents and carers who sponsored our Rainbow Walk. With the help of Miss Graves we have raised £943.75! As you have seen on Class Dojo we have now started to use this sponsorship money to purchase an array of new playground equipment such as, skipping ropes, bean bags, cricket sets, stepping stones, tennis balls, frisbees, balance boards, bats, parachutes and brand new storage tubs. Pupils are very excited to use the new equipment. Thank you for your generous support.

Reception National Adventure Farm visit.....

Reception had a wonderful day at the National Adventure Farm. The highlight of everyone's day was playing on the huge slides and feeding all the animals although we are not sure who had more fun on the slides... The staff or the children? Pupils were well behaved and were great ambassadors of Meadow Farm – well done.

Coming up.....

DATES	EVENT
